Welcome to all visitors and members!

This sermon will examine The Ark of the Covenant. As we now turn our gaze upward to the sanctuary in heaven, we need to talk about God's throne room and what is involved in understanding it. The sanctuary in heaven is the anti-type. It is the original from which all earthly types derived their meaning. The action is now taking place in heaven, and it's urgent that we understand this end time message today!

Today: Watch another inspiring *Shoptalk* in the church sanctuary after Sabbath School and a sack lunch. *Shoptalk* is shown every 2nd and 4th Sabbath of the month.
