*God's Arithmetic is really different than our arithmetic. God's addition works by multiplication and God's division can work like addition! He is beyond our comprehension and is able to bless us more than we can ever hope or even think! When we obey His directives, He opens the windows of heaven!*

➤ **CHURCH BUDGET—a message from Pastor Hughes:**

*"Please make donating to the Combined Budget your first priority. We need to fund the ministry of the church so that we can continue to lead people to Jesus and grow in grace and strength. This will enable us to minister to our church and community. Thank you for all you do for our church!"*
